Nelsons Butterfly N09 is A well-made & powerfully designed heifer prospect that's built to compete at all levels from the show ring to the donor pen. She is sired by the Sydgen, Mogck & Origen featured sire Sydgen Gavel that is known for big time performance ranking in the top levels of the breed for weaning & yearling growth as well as the \$ Index values. The dam of N09, Sydgen Butterfly 0426 was a featured heifer calf of a past Sydenstricker Genetics sale tracing back to Diablo Butterfly family that is known for its growth and maternal ability. Nelsons Butterfly N09 impresses as well on paper as she does in real life with 16 EPDs ranking in the top 25% of the Angus breed including the top 1% of the breed for Weaning weight, Yearling Weight & the \$W Index. Nelsons Butterfly N09 combines phenotype, pedigree, and performance in one beautiful Angus heifer package. Nelson Angus retains the right to one future flush.

Nelsons Ms Carter N06 – designed show heifer prospect backed by generations of proven production. She is sired by the long-time sales leader at Origen Baldrige Versatile, a bull admired for his exceptional calving ease and marbling ability combined with maternal strength, balance of phenotype & real-world performance. On the maternal side, her dam, Nelsons Ms Carter D636, has become a cornerstone female in the Nelson Angus program, noted for her consistency, fertility, and strong production weaning record 5 calves @ 107 including a son Nelsons Highway Man L008 that is an exciting new herd sire in the Nelson program. N06 blends the reliable productivity of the Miss Carter cow family with the modern, high-value genetics of Versatile, making her a top show heifer prospect with long-term brood cow potential.

Nelson Angus retains the right to one future flush.

A definite sale feature anywhere Nelsons Sandy N03 is A standout heifer calf backed by a pedigree that blends proven maternal excellence with real world performance. Her legendary dam, KNC Cabin Creek Sandy 602, has written her name in Angus history with unmatched phenotype, and constantly producing sons and daughters that excel in the show ring, sale ring and most importantly in the pasture. On the top side, she's sired by the Krebs Ranch and Lazy JB Angus herd sire KR Cadillac Ranch, a bigger framed sire admired for his balance of power, structural integrity, and eye appeal. This mating combines one of the breed's most decorated cow families with a sire built for versatility and long-term value for making N03 a female with pedigree strength, production potential, and the kind of genetic foundation that never goes out of style.

Nelson Angus retains the right to one future flush.

Nelsons Bonnie Brae N19 A standout female that ties together pedigree strength and production power. She is a direct daughter of the 2023 National Western Reserve Champion Angus Bull Riverstone Vegas, a sire admired for his performance, eye appeal, and ability to transmit growth with balance. A truth that was made more evident by his son MC Vegas 3109 being chosen as the Champion Angus Bull of the 2025 National Western Angus Show. The dam of Nelsons Bonnie Brae is a top young cow that represents a blend of two of the most influential cow families in the Nelson Angus program. Nelsons Bonnie Brae N19 offers the kind of genetic foundation that combines proven maternal strength with modern sire power, making her a female designed to leave a lasting impact through her progeny.

Nelsons Blackberry N10 is an attention-grabbing female that combines modern sire power with one of the most historic and productive cow families in the Nelson program. She is sired by the ABS Global herd bull MPM Right Way, a sire known for calving ease, growth, and carcass merit, while producing the type of daughters that stay in the herd for years. On the bottom side, N10 is out of an impressive member of the Nelson Blackberry cow family, a line that has been a cornerstone of the program since its inception, admired for fertility, longevity, and consistent production. N10 blends the best of both worlds—proven maternal strength and modern performance genetics—making her a female built to add value for years to come.

Another large outlined bred heifer, same situation as lot 45.

## **Frey Livestock Sales & Service, Inc.**

**VERN & CORINNE FREY**

701-721-0344 • vernfrey55@gmail.com

FreyLivestockSales.com

freylivestock on Facebook

Welcome again everyone to the Annual Pearls of the Prairie Sale at Kist Livestock Auction in Mandan, North Dakota. We talked about how good prices were last year at this time in the livestock sector, oh my!! Have we ever seen an upward change this year. With cow numbers at an all time low it is time to add some more numbers and genetics to your program. The consignments of the Pearls of the Prairie can help you accomplish this feat.

We will have an excellent set of open heifers again, consigned by Nelson Angus. The heifers last year were very competitive throughout the summer at Junior events and shows, expect the competitiveness again this next year as well. Expect a strong set of bred heifers again this year from all consignors.

Sired by some of the Angus Breed's top sires. Many will carry the service of

some of the breed's newest up and coming sires such as Deer Valley Diplomat, Coleman Easy Decision, Baldrige Grindstone, Connealy Commerce and S Armstrong.

I am excited about this entire offering and you will be as well. If we can be of an any assistance please contact us at 701-721-0344 or email vernfrey55@gmail.com. We will be at the sale site starting Thursday, November 7th to answer any questions or help you make your purchases.

Thank you for your interest and continued support.

Vern & Corinne Frey
