TERMS & CONDITIONS

1. The Cudd Production & Consignment Sale acts as mediator only. ALL RESPONSIBILITY AND GUARANTEES LIES BETWEEN THE BUYER AND THE SELLER.
2. The highest bidder will be the buyer, and if dispute arises between two or more bidders, the horse in dispute shall immediately be put up again for advance bids. If there are no advances, the horse shall go to the person from whom the auctioneer recognized the last bid. The auctioneer will decline any bid made by parties who have defaulted in former purchases, or by persons who, in his judgment are not responsible bidders.
3. Terms of the sale are cash and payment in full must be made to the cashier immediately after the sale.
4. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose these orders. Buyers assume all expenses and risks on horses after they have left the auction ring. Buyers must make arrangements with the Cudds for care of stock until it can be removed.
5. Upon failure of compliance with any of the above conditions, the lot shall be resold by public or private sale, and the deficiency (if any) attending such resale shall be made good by the defaulter, immediately.
6. If any person shall purchase a lot and not pay for it as prescribed above, nothing shall prevent the auctioneer or the owner from compelling the purchaser to pay for it if the auctioneer or seller shall so deem it.
7. Every effort has been made to assure correctness of the catalog, but the Cudds, sales management, and auctioneers are not responsible for errors or omissions, and assume no liability on its part or on the part of the seller as to any statements, either verbal or written, regarding horses sold.
8. Registration papers will be given to the buyer as soon as checks have cleared or credit established. THE BUYER SHALL BE RESPONSIBLE FOR TRANSFER.
9. All known defects will be announced before each horse is started. Every horse will be sold under this rule. Therefore, no horse can be rejected by buyer when struck off by auctioneer. The seller guarantees all mares to be bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as they are and without return privileges, unless otherwise stated.
10. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer thereof, but possession of the horse cannot be obtained by him until payment in full has been made.
11. Buyers unknown to this firm must furnish current signed letter of credit, cash, or cashier's check.
12. **Agent's Authorization.** Persons acting as agents must so indicate on the Sale Ticket and file an Agent's Authorization in form satisfactory to Cudd Near Dispersal & Consignment Sale simultaneously with settlement of the buyer's account.
13. Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being shown or sold in the sale ring. The management and Cudd will not be responsible for accidents.

APPLE
Pony
Appaloosa Mare, 5 yr old
Cauy Craig

Apple is a fancy 5 yr old appaloosa quarter pony mare. She will stand 13.2. Apple is very broke to ride & is a very forward mover, soft in the mouth, lopes the very best, & has a good handle! She has been on tons of trail rides, will go over the logs & through the creeks! She has been in the arena such as heeling, breakaway & barrels. I've used her to pick up about 8 head of junior broncs too. She's been ranched on in the pasture & dragging calves. Apple will go wherever you point her, & is good to be around! She has been around cattle & all other farm animals & machinery. She is plenty big enough for an adult. I think she would best suit an intermediate/experienced rider, cause she is well broke & a very forward mover! Nothing mean about her. She's easy to catch & comes to feed.

This is a big stout blue roan mare who will produce foals that can run, are cowy, very trainable, & have all the looks you can ask for. This is a hard decision for us to let this mare go. She is gentle, easy to handle, gets along with other mares, & will out produce herself every year. Several of this mare's foals have been outstanding barrel horses, roping horses, & ranch horses that can go all day long. Blue Valentine mares crossed on modern cow bred stallions have been crossing very well for us with size, speed, cow, & grit. She will be exposed to Boons Blu Fox for a 2026 foal.

This is a yearling colt from the "Cat" line. His sire Metallic Rey Mink passes down his natural cow & cutting style in this yearling. Sire in 2019 was the #1 all-age Open Cutting money earner, the NCHA Futurity champion. (stats PHC Performance Horse Central). We have raised lots of colts in our lifetime, but this one is well to the top. He is smart, & when turned in with calves, shows his cow ability. This yearling is sorrel, don't miss this guy.
