Can't attend the sale in person? – Bid online . . .

We are excited about being able to broadcast the sale via high-speed internet. Pre-registered bidders from around the world will be able to watch from home, follow the action live, and buy online. If you have dial-up internet, you will be able to watch the sale on your computer, but because of the slower connection, the delay does not allow time to keep up with the bidding. Prospective buyers need to **pre-register before Sept 6th at www.dvauction.com**. There will be a 3% fee added to the buyer's premium to the purchase of each horse bought online or by phone. Successful bids are required to be wired to our bank on Monday morning following the auction.

PITZER RANCH SALE GUIDELINES

Please read and familiarize yourself with these 2 pages

Pitzer Ranch, its associates and the auctioneers' function is to bring the buyer and seller together.
All responsibilities and guarantees lie between the buyer and seller.

All buyers must pre-register in the sale office.

Bank name, Address and Drivers License will be required to obtain a Buyer's Number.

EXAMINE HORSES PRIOR TO PURCHASING

(be sure to attend the previews, look your choices over, and ask any questions you may have)

1. Persons planning to purchase horses in this sale for the first time should present letters of credit from their banks if personal checks are used in payment. Anyone with account problems with Pitzer Ranch in the past will be required to pay for their horses with cash.
2. There is no implied warranty made by auctioneer or sale company as to the merchantability or fitness for a particular purpose of any animal in the sale.
3. The highest bidder is to be the buyer. If any dispute arises between or among two or more bidders, sole authority to settle the dispute as he sees fit is reserved by the auctioneer and the decisions shall be final. Seller reserves the right to waive the sale of his horse before it leaves the ring. The auctioneer reserves the right to reject any or all bids.
4. The Sales Management is not responsible for the integrity of any specific bid and the seller understands and assumes all responsibility for any bid that is made and not thereafter honored. In the event any bid is not honored, the seller agrees not to hold the Sales Management responsible and agrees not to sue the Sales Management therefore.
5. All horses are offered for sale according to the laws of the State of Nebraska and the right to bid is reserved for all sellers at the sale unless otherwise announced.
6. Effort has been made to insure correctness of this catalog and, in most cases, information quoted concerning the horses is taken from the official AQHA records. However, employees and auctioneers will not assume responsibility for errors or omissions, but appreciate having them called to their attention. Announcements in the ring take precedence over printed information. Pay close attention to the announcements.
7. The seller is the responsible party for all representations or warranties, expressed or implied concerning the condition of any horse and buyers should satisfy themselves concerning the condition of any horse they purchase. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Pitzer Ranch Sales to include but not limited to the following: 1. Title of the animal, free from all adverse claims to ownership, use or possession. 2. The animal is sound of eyes and wind. 3. The animal is not a cribber or wind sucker. 4. The animal does not or has not been nerved, have navicular disease, have ringbone, been foundered or any other pre-existing condition. 5. The sex or condition as a gelding or ridgeling is as described in the sale catalog or announced at the time of sale. 6. Any animal which, at the time of sale is described as a stud or colt and does not at such time have two testes descended to the scrotum must be announced. Warranty with respect to descended testes does not apply to any horse sold prior to Jan. 1 of his yearling year. 7. The horse does not possess the defect commonly known as parrot mouth. If any conditions are announced, the consignor is held harmless for the condition.
8. All guarantees are made by the owner. Make sure to call ahead with questions, take advantage of the previews and pre-inspect horses prior to purchasing as title passes as horse leaves the ring. Right of recourse must be directly to the owner of the horse.
9. All horses have been Coggins tested and found negative within six months of the sale date unless announced differently. Coggins papers given to buyers after horses are paid for.
10. In the event a dispute should arise as to a particular defect which should have been, but was not announced as described above, the buyer has the right to have a veterinarian examine the horse he has purchased to determine if the horse suffers from the defect. This examination is to be made and Pitzer Ranch is to be notified before the checks are mailed. If the purchaser's veterinarian determines the horse to have alleged defect, the Sales Management, as agent, shall appoint a veterinarian of its choice to determine if the horse has the defect(s) and if the defect was present at the time of sale. His or her decision will be final. If Pitzer's veterinarian determines that the defect was present at the time of the sale and it was not announced, the sale of said horse shall be null and void and the consignor must pay entry fee and commission. If the horse is determined by the Sales Management veterinarian not to have the alleged defect, the sale of said horse is valid and enforceable and purchaser assumes all costs of examination, treatment, and sale purchase price. In settling disputes, the decision by Pitzer Ranch is final.
11. If the buyer rightfully rejects the animal in the manner stated in #10, the animal will be returned by the buyer to the consignor and the full purchase price of the animal will be refunded.
12. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as is and without return privileges, unless otherwise specified.
13. Sale of a horse is completed by the auctioneer and title passes when the clerk enters buyer # and \$ Sold Amount on the Acknowledgment of Purchase contract. Title passes when this is completed. When a buyer settles in the sales office to clear paperwork and receive loadout slips, make sure the name, address, phone and AQHA information is filled out exactly as registration papers are to be transferred or office cannot be responsible for errors that may occur in transfer of ownership.
14. Title to and risk of loss passes to the buyer when the animal is knocked off as sold by the auctioneer. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer. Effective from the time of purchase, the buyer assumes responsibility for the maintenance and care of the animal. The buyer and sale attendees further agree to hold the consignor and Pitzer Ranch harmless from all loss, cost and expense arising from illness, injury or death of such animal, or loss or damage to property, and injury or death of persons, caused by themselves, their agents or employees, or by the animal, subsequent to the time of purchase. No horse will leave until final settlement has been made.

15. Buyers and spectators are cautioned to be careful while on the grounds, particularly while horses are being shown or sold in the sale ring. All persons attending the sale do so at their own risk. According to the laws of the State of Nebraska, neither the owners nor any other person connected with this sale assume any liability, legal or otherwise, for accidents to persons or property, before, during, or after the sale.
16. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose their receipts. Buyers must make arrangements for care of stock until it can be removed. Buyer will need to use the "pink slip" to be released to load. Do not remove hip numbers from horses once they are applied. Buyer releases will be checked against hip numbers and no horse will be released without a legible hip number.
17. Driver's license will be required to obtain a buyer's number. Payment terms for this sale are cash. Payment in full must be made to the cashier immediately after the sale. All payments shall be U.S. Currency. Method of payment shall be Cash, Cashier's Check, Traveler's Checks, or approved bank check which has been verified and approved in advance by cashier and/or officers of Pitzer Ranch. All payments must be made to Pitzer Ranch. Any payment made by the buyer to the consignor or any other party will not be regarded as valid or entitle the buyer to delivery of the animal.
 No Re-Deposits: Anyone issuing us an insufficient fund check for a horse will run the risk of having their name printed in our mailing of 115,000 catalogs and flyers. The size of a NSF horse payment check classifies as a felony and it will be turned over to the District Attorney for immediate prosecution. All past buyers who have passed a "returned check" to the Pitzer Ranch will be required to pre-pay for their purchases or pay in cash.
18. All registration papers will be withheld until funds clear the bank. 14 days from the date of the sale the registration papers, along with transfer certificates, will be mailed directly to AQHA for transfer of ownership to the new buyer. Checks for payment will be mailed to the sellers on that same date. Disputes and returns between buyer and seller need to be completed by that date.
19. Buyers will pay the AQHA \$20.00 transfer fee. All buyers will be charged the current rate of sales tax on any purchase, unless a tax number is given and the proper form is filled out at the office. You will be asked for your current AQHA membership number. Persons not having a current membership can either purchase one directly from AQHA or buy one at the time of payment for purchases.
20. Any horse not consigned to the sale and found on the grounds will be assessed a \$175 fee and will go through the auction at the end of the sale. A release for this horse will not be issued until these terms are met. No horse will be let out the gate without a hip number and release issued through the office.

CONSIGNORS, BUYERS AND SPECTATORS PLEASE PARK VEHICLES AND TRAILERS IN THE PASTURE ACROSS THE ROAD FROM SALE FACILITY. THE SPACE IN FRONT OF THE BARN NEEDS TO BE CLEAR FOR THE CONSTANT TRAFFIC LOADING & UNLOADING OF SALE HORSES.

Blue is a big, little horse with popular genetics. I've followed this stud for years. He is a great athlete that is lab puppy gentle. He has foot, bone, color and thickness. We especially like his bottom side and think this is the right cowhorse lines to outcross into our program.

"BJ" is a big, physical and pretty horse with some of the most sought after Pitzer Ranch blood. We have rode him as if he was a gelding, testing him in real-life, ranch situations. He is a good minded, cowboy style horse with enough bone and heart to do a real job and the athletic ability to do it well. We are excited to continue his career in the show pen and to put some thick "Watch Joe" blood back into the breeding program.

Most of the "Red Bucks" have his elegant good looks. They are athletic, with the long, gliding stop of their sire. Most are hitting taller than the typical 15-1" Two Eyed Jack, therefore keeping them competitive in the halter events as well as the arena. Their generally laid-back disposition makes them great ranch and family horses as well.

reference sire

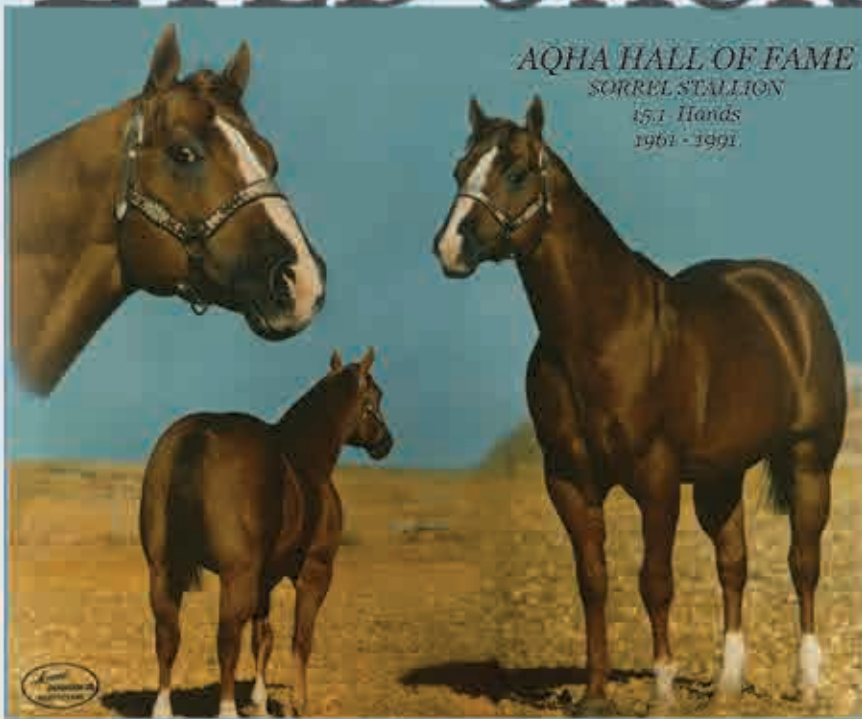

TWO EYED JACK

*The Leading Sire of AQHA Champions
In the entire Quarter Horse Industry*

TWO EYED JACK is the leading sire of the Quarter Horse breed. Of the 1416 foals sired by "Jack," nearly 40% were shown. One in every 3.7 earned points. He is the #1 Leading Sire of 119 Open AQHA Champions and his record will probably never be broken. The second leading sire was POCO PINE with 37.

TWO EYED JACKS have proven themselves as the most versatile line in the breed. His get have earned over 37,000 AQHA Points. They were earned 52% in performance and 48% in halter classes. Disposition was one of the major factors in the success of his get. It was such that they would do anything that the rider was capable of. From the novice to the pro, everyone can get along with a "Jack."

Even in his old age, TWO EYED JACK was still good on his legs. It's this type of soundness and disposition that established the foundation of the Quarter Horse breed and made TWO EYED JACK, his get, and their owners #1 on AQHA lists.

 years of developing one of the hottest brands going

Welcome

to the PitZER Ranch Fall Sale and HPI Competition! 2017 is proving to be an exciting and busy year!

The 2016 HPI was the largest pay out ranch horse contest in the USA, and we want to thank our sponsors, stud owners and contest entries for making that possible. The 2016 HPI Champion Rod Doggett and his Show Me A Song Joes gelding "Show Me A River" were the 2016 high money ranch horse earners nation wide! We are excited to announce that the 2017 HPI has even more entries than last year, proving to be an even bigger pay out than ever before!

We have a good sale lined up with a quality set of broke geldings and mares, not to mention a consistent set of colts, all who are HPI eligible. One thing about life on the ranch is that change is a constant. This will be the last crops of colts by Poco Dot Lena and Royal Blue Quixote. These stallions will be missed. So if you were wanting a colt by one of these good sires here's your last chance. This year is our first crop of colts by Smart Nu Shiner and Favorable Intentions. We are excited about these performance sires and look forward to seeing even more of an offering next year.

This sale has a better selection of broodmares than are normally offered. So if you are looking to start or expand your broodmare band take a good look.

Like Gramps always said, "Come and see the circus!"

Wednesday Sept. 6th - HPI competition

Thursday Sept. 7th - HP Broodmare and Colt Gather followed by Rope Horse Preview @ 1:00 p.m.

Friday & Saturday Sept. 8th & 9th - Sale 9 am with short previews at 7 am

Again, Welcome to the PitZER Ranch and Thank You for your support!

Sale Highlight. This was the only Joe Jack Red stud colt we got on the ranch this year out of our good Hombre Daughter. He is big hipped and stout with lots of muscle and balance. Should be talented and make a show horse. Joe Jack is about done as a sire, he has produced alot of talented horses and proven winners, so this is one of your last chances to own a stud by him! Should probably be in the keeper pen but need one to start the sale off right.

"Missy" is an attractive, gentle and talented 5 year-old mare. She stands right at 14.3 and is thick made. She is home raised and is the last foal by the good old show mare Miss Harlatony Roany. She is broke and we plan on showing her in the HPI. Hate to sell this one but have younger horses that need training. This is a good horse! Safe, sound, easy to catch and gentle for any level of rider. Will have one year of HPI eligibility left. Watch for her in the preview.

I have owned this mare since she was a yearling. Medium muscle, 15.1. Weighs 1,150. Has one more year at the Pitzer Invitational. She has done all the ranch stuff, dragged calves, doctored wheat pasture cattle. Started in the arena. She has run with geldings since I owned her. This is a nice mare, super cowy, and when you are done riding her, she will make a great asset to any broodmare band.

This mare is a finished head horse and is started heeling. In 2015, she qualified for the world show in heading in just 3 weekends out, and was a top 10 finalist in the level 2. Classi has her ROM in heading and is AQHA incentive fund enrolled. Classi is regularly ridden by our 2 young boys and is trust worthy both in and out of the arena. Classi foaled a large gorgeous buckskin filly in 2016, sired by Arizona Roanie. Classi is bred to Some Kinda CD (own son of CD Olena) for a March 2018 foal.

"Dinero" is as pretty and correct buckskin gelding that a person could put together. He stands 15.1 hands tall and is stout. This horse has been hauled extensively primarily in the heading but also heeling and breakaway. He is a great switch end horse and has loads of talent. He can score and has plenty of run, rate and handle. Dinero has a nice stop and rides between your legs. This horse is a pleasure to have around and in and out of the arena. No ranch chore is too big or small and he is a great horse to take in the timber and rough country. This is a hard to find horse. Dinero is 100% sound and has no vices. Got to Meyer Horse Co Facebook page for more pics and videos.

Jett is a 15.1 hand, thick made gelding that always catches your eye. Started as a ranch horse that really rides and is now making a big time head horse. Scores and runs like a high caliber open horse but throttles down for just about anyone. Definitely one of the nicest young horses we have ever had on the sale. Fmi please visit hicksperformancehorses.com or Casey Hicks Performance Horses on FB.

"Bubba" stands 15.3 and heavy muscled. He is a finished head horse and proven money earner. He's been hauled to lots of jackpots and has done it all on the ranch. I cannot emphasize enough about how gentle this horse is but is not a dead head. He is kid broke. Leave him off as long as you want and he is the same horse every time. Guaranteed 100% sound and 100% gentle.

"Remington" is a very attractive, cool colored buckskin gelding that is an outstanding rope horse prospect. He rides out quiet, has a great handle, soft in the face and the ribcage, and wants to stop. He's been ridden along the road, in the arena, and out checking pastures. We've been roping the hot heels and been pushing around the roping steers. Remington has a solid foundation, all the hard part is done and ready to go on with. Sound, current on deworming, shoes and coggins. For more info go to www.schmitthorseranch.com or find us on facebook at Schmitt Horse Ranch.

"Cowboy" is a really cool horse to have around. Like his sire, Joe Star Joe, he is what the Quarter horse is all about, all-around performance, attractive and user friendly. We have used him for everything! Head, Heel, calf roping, ranch work and just ride around for fun. Cowboy's accomplishments in the show pen and arena are extensive, in addition to the list below he has also been used at the USTRC and World Series roping's, and calf roping's from the high school, amateurs and pro levels. Cowboy was trained by Doug Clark. Cowboy stands out in the calf roping! And is actually a lot better calf horse than most of the pro level cowboys are hauling down the road! We have used him very lightly as a sire, simply because of the number of stallions we have available. Cowboy is a HPI eligible stallion, so here is your chance to own a great horse that can produce foals to sell at and/or compete in the Pitzer Ranch program! This bay gelding is Taylor made as they come. He is 15.1 and as stout as they come but the best thing is that he can move his feet well and is extremely athletic. Oak is a very nice head horse that has been getting hauled all summer. This horse scores well, can really run, will rate off when you get there. Big move, big face, and you don't know the steer is back there. Oak does great at the jackpots and doesn't get fired up. Oak is a rock solid ranch and trail horse. He has been used for every kind of ranch chore and has been trail ridden in the mountains. About anyone can get along with him. He is defiantly on of our go to horses for any job and to go rope on. 100% sound, novices. Go to Meyer Horse Co on Facebook for more pics and videos.

A big handy broke horse that has done everything on the ranch. He is gentle and smooth to ride. This horse has plenty of speed and action when you need it and is laid back when you don't. I have roped on him in the arena as well as drug calves, doctor yearlings, ponied colts, etc. He will be shown in the HPI

He would fit a youth to a number 9. He is the first horse I saddle to ride out in the pasture. Search CM Gold Man 103 on YouTube for videos. "Mike" is 15.2 and weighs 1200 pounds. We have had him since he was a weanling. He competed in the HPI the last two years. He has been hauled to jack pots and would work for a #5 or higher roper. He has as much run and is as stout to the orn as any horse that I have ever had. He has also been hauled the last two years to rodeos as a pickup horse. He will drag anything you rope off him. Also used on the ranch and roped a bunch outside. Sound and gentle and good to be around. His full sister has an ROM in heeling.

"Badger" is as pretty as a picture! He has as much shape and muscle as you could hang on one, and as dappled as they come! The best part about him is that he's gentle, always easy to get along with, and stays broke. Badger is a very nice rope horse and does well on both ends. He's strong from the horn, scores great, and has a smooth stride. We've been using him all summer to pony colts and never gets in a bind or worked up. He's an asset to any ranch, drug calves to the fire at brandings, will work a gate, and has been used to doctor. Own son of the well-known, performance producing sire Mr Illuminator. Sound, current on deworming, shoes and coggins. For more info go to www.schmitthorseranch.com or find us on facebook at Schmitt Horse Ranch.

"Joe" is big stout stallion. He has about three months reining training. Never been shown. He is following the hot heels and should be roping by sale time. I used him last year as a stallion and his colts are on the ground now. He is a 100% color producer. You can hand or pasture breed with him. Very easy to handle. He won't be 3 until August 29 and he is around 15.3H. "Joe" is very athletic. He is selling 100% sound in every way. Any questions call Doug - 563-599-4797. We have also been trail riding with him. He crossed creeks and has worked some cattle. He will make someone a great stallion. Or if you don't want a stallion, he is young enough to make him into a big gelding.

Pretty palomino gelding that is handy broke, "Mac" has been ranched on in West Texas and I've started him in the roping this spring/summer heading and heeling. He is going to be a pretty nice rope horse needs more runs made but shows a lot of promise. Nice gelding that has a bright future! Watch him in the preview.

"Dually" is a golden palomino gelding that is pretty and confirmationally correct. He will stand 15 hands and is thick. Dually is a very solid switch end rope horse. I have been using him as a back up horse heeling this summer at all the jackpots. Dually is calm in the box, leaves flat and can run. Lots of rate and a very quick stride. He is also a big stopper and strong from the horn. We have also hauled him in the heading and he is sweet over there also. Dually lets you rope out in front of you, handles cattle great and finishes like a freight train. This is a finished ranch horse and is great out on the trails. He is super mature for his age in and out of the arena and acts more like a 10 year old. Dually is 100% sound and no vices. Go to Meyer Horse Co Facebook page for more pics and videos.

"Firewater" is a big gentle ranch, rope and speed horse. Hauled to the high school rodeos in barrels/poles. AQHA Yth World Qualifier, and point earner, top 5 barrels and poles at K-State 4-H Stat Show and NBHA 2D Buckle winner. I've used him taking care of crass cattle this Spring and Summer, and hes a good ranch horse for all facets who rides out well by himself. Head horse, and breakaway horse in the arena whos been hauled to the local jackpots, but has the speed and tools to go to the next level. Big attractive bay gelding thats gentle for anyone, but still possesses lots of ability.

We have owned her since she was a weanling. She was started by Jeremiah Cole and will have spent the summer on the ranch with Riley Renner. She would make a nice HPI horse. SKY BLONDIE

Really flashy bay filly that would make a show mare. Heavy muscle and big hip moves good and great over-all balance. Out of a good proven bottom side. Goes back to DVA Drifty Peppy which is Sarah's old cutting mare that produced several good rope and show horses including: Two Eyed Diva who produced one of our Sires here Dukes N Divas. It takes fillies like this to produce Sires.

Blacky is 14'3. He is a stout, solid built horse. Anyone in the family can ride him, from Grandparents to small children, for work or play. Each year he wins the 4-H trail and reining classes and for the last four years, Miss Rodeo America has rode him each night for the Abilene PRCA Rodeo. Jamie Stover has taken this horse to AQHA horse shows as a help horse on both ends for the last several summers. Blacky is a top notch head and heel horse. He has been hauled to Amatuer rodeos and jackpots. He is a solid, good horse.

"Scooter" is a nice young gelding that has been started in the heeling and really showing a lot of promise, he has been used this last year on a ranch in Texas. I bought this colt as a weanling from the Pitzer Ranch he was in Lane & Sara's keep pen. This gelding has his whole life ahead of him, he will be an outstanding heel horse when he's finished. Check him out in the preview! Video's will be available on youtube under their registered name.

"Uno" is a 15 hands medium made gelding. Really likes to stop and cow, has done about everything on the ranch. Has been hauled to a few little jackpots and headed a lot of steers and does things right. Kids have rode him around the branding pen and never gets worked up. Will be competing in the 2017 HPI

This is really nice, easy moving ranch horse that is gentle for anyone. He is really nice started in the heading and can flat run. Roped hundreds of cattle outside and covered the big country. Super nice horse to make the big outside circle on and will watch a cow if you need to sort some. Rides between your legs and wants to please. Never humped up, been cinchy or bucked...ever. Big stout horse that will be shown in the HPI. Sound around and has his whole life ahead of him.

“Peanut” has already gotten alot of attention here at the ranch. He is weaned and gentle. Our old mare Silky Jackie surprised us all and was able to raise this colt until the last 30 days and we had to pull him off and start feeding him. This mare had produced some nice studs for us. This is the only stud colt on the sale out of our ranch sire Favorable Intentions. He is alittle small now, but will catch up grow to make a nice stud colt that will be good headed and necked, balanced, gentle and smart.

Piney is a fourteen year old chestnut quarter pony. He is a great pony for anyone; he can be ridden by a child or small adult. Piney will walk, trot, and lope circles with ease. He has been used to pen and sort cattle. Piney will go any speed you want, but will only speed up if asked. He is current on all vaccines, deworming, farrier work, and was recently seen by an equine dentist to have his teeth floated. No bite or buck, this pony doesn't have any meanness in him.

“7” is a beautiful palomino gelding that is royally bred and has the confirmation and disposition to back it up. We have been roping both ends on this horse summer and he is doing great. We've been hauling him and he is cool. We started him on the heel side but he has gotten plenty big for a heel horse but he sure can go do it. 7 can do all the maneuvers in the roping run from scoring to facing. He has plenty of run and rate. 7 is a great ranch horse and is great for trails. He is gentle and willing. 100% sound, no vices. Go to Meyer Horse Co Facebook page for more pics and videos.

This gorgeous 8yr old buckskin gelding is more than pretty. He has been a work horse in the feedyard, ranch, and arena. Last year he won high money heeling saddle in a #12, taught a 17 yr old girl to tie goats, and taught a 22 yr old young man how to head steers. This year he won an open heading saddle, goat tied at Bible Camp and will be hauled to a few more ropings before sale time. I have won the IRCA, made the URA finals and hauled him to every kind of jackpot. I've had people from a number four to a number eight ride him and win. He has also been heeled on at jackpots. "Chic" is a handsome, thick made palomino gelding that's very well broke to ride. He's soft sided, knows how to use his hind end, and can really turn around. He has been used on the ranch, been pasture roped off of, been to brandings, and put on lots of miles prowling pastures. He's roping the hot heels exceptionally well and should be started on live cattle by sale day. Chic is an ideal size for a switch ender, stout enough to make a head horse yet short enough to heel on. His sire has AQHA points in heeling. Sound, current on deworming, shoes and coggins. For more info go to www.schmitthorseranch.com or find us on facebook at Schmitt Horse Ranch.

“Jack” stands 15.2 and has good bone. He is a head horse that I have hauled to team ropings, jackpots, and a World Series roping. I have won money and prizes on him. He is a nice ranch horse as well with a willing to please attitude. He has a small scar on his right side that is just a blemish. 100% sound. Look for him in the preview.

Pat is a very nice dun buckskin gelding that stands 15 hands and stout. This is a very handy broke gelding that is a great size and fun to ride. Pat ropes both ends and does very well on both ends. He has been hauled in the heading more but is a nice heel horse as well. He will go do anything a person wants and will fit most any level of rider and roper. This is a great horse in and out of the arena as well as a pleasure to have around. He never gets rattled and is super easy going. 100% sound and no vices. "Frosty" was bought as a baby at the Pitzer Sale. Brent raised him on the ranch and since then I have rode him as a colt growing up. I have used him in all aspects of ranch work and drug many calves & roped several yearlings on him. He is gentle for anybody, catch him in the middle of 3 sections and step on him & he will be the same everyday. Good to shoe and all that other stuff that goes along with that.

Two skip Bluff aka "Cheesecake" same home since he was 4 months old. A big gentle giant. Runs 1 D gaming in 4-H, locals 3 D in regionals. Breakaway roping in High School and College Rodeo, wins RWP and horsemanship in locals. Easy going and nearly bomb-proof. Used for lessons, loves to go slow, never in a hurry. Great for family, beginner or retiree. Has dozens of trophies, ribbons and plaques in youth shows. Anyone can ride him. Best. Horse. Ever.

Duke is a super good looking flashy buckskin that has been a million miles already. He has been rode in the feed yard, and at the sale barn, he has doctored yearlings on grass, has been in the high country of New Mexico where he has had 30 to 60 mile days in some super rough country and also been cowboied on in west Texas and the great sand hills of Nebraska. He is a go to horse during calving time. He has been through the Shot Branham team roping horse program in the heading and heeling and has excelled in the heeling. He has been used at ropings and ranch rodeos for the last two summers. He is also a great pickup horse. This horse is super gentle and a delight to be around. He could make a great barrel prospect and rope horse or even a trail horse. He is the same if you ride him everyday or let him have two months off. Don't miss your chance on this one!!!

"Gunner" is a very pretty dappled grey gelding. He stands 15.1 hands tall. This horse is very broke to ride and is a really cool mover. We have been heading and heeling on Gunner and he is a nice horse to have around. He will score, run, rate, and got a big stop. He will pull anything and has a good face. Gunner is a really cool ranch horse as well have been ridden extensively on the trails. 100% sound, no vices. Go to Meyer Horse Co on Facebook page for more pics and videos.

"Trip" is a solid, honest broke gelding that's a very nice head horse as well. Gentle enough for a novice rider, but has the but-tions and can be handy when asked. Been ridden all over the ranch, traffic safe, and crosses all sorts of obstacles. He has great manners, stays quiet, and very user friendly. Trip is ready to get in the trailer and head to a jackpot tomorrow, then have the kids cool him down when you're done. You'll be sure to like this guy when you get him home! "Kat" is 15 hands and weighs 250 lbs. I have owned this horse since he was 2 years old. He's a solid head and heel horse. He's been to the World series ropings and US Ropings. I started hauling him since he was 6 years old. He has plenty of run for high number ropes and he can be roped on in the low number ropings. He's always in your hand, good in the box. He's 100% sound. This is your horse for the next winning.

Captain has an excellent start on both ends of the team roping, I have taken my time and he is very correct in the way he performs. Captain has one of the best attitudes and minds of any young horse I've ever ridden. He has the perfect size and temperament to go in any direction, nothing stirs him up. Captain has a ton of athletic ability with an outstanding future ahead of him. He will fit a wide variety of riders. Captain is easy going enough for my wife but has the ability and mindset for an open level roper. He will have been hauled to jackpots by sale day.

Sam is an easy horse to head on, you can run 5 or 50 it doesn't phase him. This has been my back up/practice horse for the last 8 years. I've won a lot of money on this horse in the low number ropings he is easy to heel behind. He is good in the box, leaves flat across the line, runs to the hip, won't duck and faces decent. He isn't burnt up with speed but has plenty of run for low number ropings, he is 100% sound and he has no buck in him he's off all winter and every spring I step on and rides exactly how I left him in the fall. If you need a confidence builder horse or just getting the hang of roping and need a solid horse to learn on this is the horse you need, I've loaned this horse out to several people over the years and he has babysat them in the roping pen. Watch him in the preview and there will be video's on youtube under Red ID Luv.

"Lewis" has become the family's go-to horse. He is a kind hearted, soft eyed horse who stands 15 hands 1". He has never laid his ears back, kicked, reared, or bucked. We have been trail riding and road riding frequently and he is not bothered by passing trucks or cars. Lewis is quiet and calm with my cows and has started pulling the roping dummy. Has been at a palomino circuit pleasure show and fit in well. He is the family kind of horse who dad can work all week and the girls can show and trail ride on the weekend.

“Justin” Has been Sarah’s main head horse. He is well bred and HP branded. He has been roped on a lot on both ends and used by everyone. He was Sarah’s pick to rope on this year at the World Series Finale in Las Vegas and The Patriot in Ft. Worth. We have won over \$11,000 on him in the past year at numerous ropings. This horse scores awesome, never gets worked up in the box, breaks flat and rates to your cattle. If you want a short score type rodeo horse he would really fit that. He was professionally broke well and is very light and soft, never pushy. Has alot of feel left and very responsive, not burned up. If you use him alot he can get alittle sore in front, and he sells that way. We find with regular shoeing he does just fine and has never affected his ability to perform. We just didnt abuse him in practice, and saved him for our big runs. This horse has alot left in him, take this horse and haul him tomorrow.

This filly is my favorite. She is stout and probably should have been a stud colt. Her full brother last year brought \$8,000.00 at the fall sale, and this filly will make you one hell of a ranch mare or fit right into anyone's broodmare herd. She is athletic and very pretty to look at. Do not miss out on her. She will sell 100% sound. Any questions call Doug - 563-599-4797

Shapely roan filly with some presence. Comes with a lot of old ranch blood behind her. We were heavy on fillies this year and here's one that could make someone a really nice broodmare. It makes a difference having a consistent maternal side.

Solid head horse that is quiet in the box, scores excellent, has plenty of speed, and handles cattle with speed. He is a very easy horse to ride and will fit most any level of roper. We have roped off of him at jackpots and used him on our ranch for all jobs. This 6-year-old will give you an honest day's work. See this good looking bay gelding in the roping preview.

“Rip” is a beautiful palomino gelding that has been hauled in the heading and will let you win in any number of roping. He has plenty of gas for high numbered ropings for rodeos and he will suit a low numbered header as well. This horse can take you to the pay window today. “Rip” has also been used on the ranch gathering and doctoring cattle.

Big and stout gelding (15.3 hh 1200#) that you can pull anytime and get right to work. Not a mean bone in his body and quick to learn. Has been used for all aspects of the feedlot and light pasture work. Incredibly smooth mover with a lot of cow sense and eye appeal. We have heeled a couple calves off of him with no problem. Would be a great head horse prospect, but his potential is endless.

We bought this filly as a yearling in eastern Nebraska, she has solid black but has shedded more towards gray each year. Has proven herself in the feedlot pulling and sorting cattle. I have used flags and whips and a rope to load fat cattle. Can be turned out all winter and still ride with no buck or bad habits in the spring. Stands approximately 15.2 hands.

Barzana is a thickly made mare with a lot of depth, and a beautiful head. She is broke to ride and has had many, many miles of trail riding. She is easy to catch, an easy keeper and has a good disposition. Good feet, good for farrier and grooming, loads easily. Has a very noticeable scar on her left side from an old injury, which does not affect her riding or soundness. Close-up Zan Parr Bar and Doc Bar breeding. Nice mare in her prime, well suited for intermediate riders. Keep her as a brood mare, ride her, or both. Current Coggins and up to date on vaccinations. Greg - 218-838-12566 or Larry 218-251-8713

⚡ RANCH HORSE INVITATIONAL

Explanation and Expectations for the Invitational - by Jim Brinkman

For many years I have talked about and worked to design a competition for the get of accomplished and approved Pitzer Ranch-bred sires. They will compete in a contest to show what I think is the ultimate Ranch Horse. This competition is designed based on what we expect of a broke horse at Pitzer Ranch, sound conformation, well-broke, good enough to use on the ranch and at the brandings during the week and then saddle up to compete at jackpots on the weekends. He can be ridden by one or several different riders (either at home and also for this competition). By tying this invitational competition into the horse sales and making it exclusive for Pitzer-sired bloodlines, we expect this to create even more demand for proven Pitzer Ranch sire line prospects and finished horses. We ultimately hope to make your breeding programs healthier and with more demand trickling down to broodmares producing these horses. Numbers and volume are one of the unfair advantages most bloodlines can never obtain. For the Two Eyed Jack family line of horses to remain in demand over time the wider the base and the more volume we together produce, the more chance we as breeders have to continue improving our horses almost to the point of making it a breed within the Quarter Horse breed.

It was written by a famous horse trainer that "judging makes us all imitators". If only teaches us to try to do what the last winner did. By using only the clock, timed competition results are the only judge. This competition should allow creativity by both rider and his horse and let the true talent show through.

With this competition using the clock mainly as a judge you should not leave feeling that you had an unfair chance or prizes taken away by human opinion as many complain about with judged events. This is a competition for any level rider to compete and showcase their horse's skills in any or all of the events. These are events with skills based on desirable traits I believe in and that I have tried for many years to breed into the horses in my Pitzer Ranch program.

I have created a list of the Pitzer Ranch-blood stallions that have proven themselves in the arena. They are either sired by Pitzer Ranch standing stallions or stallions that I have admired their traits and accomplishments enough to stand them as Pitzer Ranch outcross sires. I encourage all the stallion owners on the list to nominate their studs. Their weanlings will be the only ones accepted to be sold in our annual Pitzer Ranch Fall Production & Consignment Sale. Horses consigned to a Pitzer Ranch Sale that are less than 6 years old will have notation on their catalog pedigrees as eligible for entry in the ⚡ Ranch Horse Invitational. Horses 4-6 years old by Paid-Up sires can then be entered in our yearly Ranch Horse Invitational Competition. All of this is with the belief that it will promote the versatility, disposition, conformation and ability of the bloodlines of the Pitzer Ranch athlete and continue to make them in high demand. This should benefit us all with a realistic competition that produces old-time fun, ranch-based friendly competition, a higher demand for our horses, and ultimately greater prices for the prospects and broke horses we sell.

On the next two pages check out the basic information, class descriptions, and preliminary eligible sire listings. Visit our website www.pitzerranch.net which will continue to be updated as the list of approved sires grows. As they are paid-up, their 4-6 year olds can enter the yearly ⚡ Ranch Horse Invitational. Please join me in celebrating and promoting the Pitzer Ranch bloodlines. This is a continuation of the ranch philosophy that has been in place since 1945. Don't miss your chance at owning the next HPI winner!

PITZER RANCH SALE CONSIGNMENT INSTRUCTIONS

Consignment deadlines are **June 10th** for Fall Sale and **Jan. 10th** for Spring Sale

The following must be in our office by deadline to be considered for consignment:

(because of the huge number of horses consigned, all paperwork has to be in our office by deadline)

This will be your invitation for consignment so mark your calendar so you don't miss the deadlines!

- *1. The **actual registration papers** (not copies and no faxes) mark gelding updates on transfer. For foals being registered, send copy of completed registration application along with copies of sire and dam's papers stapled to it.
- *2. A blank **signed transfer** for each horse sold: (we can complete double transfers in our office) If you don't have one, download off www.aqha.com website (click the word FORMS then TRANSFER REPORT) or contact me and I'll get you one.
- *3. **Footnotes:** This is what is printed about your horse in the catalog. Helpful notes include: Physical description, height, how broke, AQHA points/winnings/accomplishments, guarantees and if a broodmare, name of stud bred to and due date. Then list the phone number you want listed in the catalog plus your agent (if any) and their phone number.
- *4. **\$175/head catalog fee** must be included (covers research, advertising, and printing catalog) Catalog fees are non-refundable once advertising is ordered and catalog is set.

Also note that we ask our consignors to do as we believe (since it is our sale) and not take horses out of the sale once the catalog is printed. We want buyers to know that if they drive the miles to a Pitzer sale that those horses listed will be available. If people are calling ahead of time to buy your horse it proves that our advertising (your \$175) is doing its job and attracting buyers. Buyers unable to attend the sale can bid by phone or buy online at www.dvauction.com.

Horse Photos due at time of consignment. (Fall Catalog Weanling Photos due by July 4th.)

- *5. **Photos**— Help sell your horse, especially with many absentee bidders. We prefer a high quality side view with photographer facing towards mid-cinch area of the horse (not a distorted, big head, 3/4 front, rear, or in-between). Performance and/or win pics are also welcome. Do not have horse looking back at the photographer, feet cocked, or with its head down eating. Set up so sun is behind photographer's back. Check our past catalogs, stud photos on next page, pictures on our website, or call for more info. Have photo CD's or emails ID'd by horse's registered name or sale lot #. Please no poor quality, plain paper, or dot printer pics! If you wouldn't buy the horse in your picture, take another!

Email photos to pitzerranch@gmail.com

The following is due before sale check-in.

- *6. **Signed Breeders Certificates** – for pregnant broodmares. Make sure the name of the stallion is in the footnote of consignment.
- *7. **Coggins** - original coggins results (yellow page) dated no further than 6 months before sale date. Every lot # horse needs its own coggins. In the spring sale, broodmares with newly born foals only need a coggins for themselves.

Make sure our office receives your papers before the consignment deadline (earlier than that does not mean they will sell earlier in the sale). Sale order is made by our office. Once we have accepted the maximum facility capacity of #s there is not room for more. I hate having to turn back what would have been a qualified consignment when we have already accepted other horses to fill the numbers.

*All broke horses ridden through the ring and guaranteed unless announced,
Sale Commission 7% • No Sale Commission 3%*

Don't delay foal registrations. Horses not paid for until all paperwork is in my (not AQHA's) office.

TO BE CONSIDERED WE MUST RECEIVE #1-5 PAPERWORK BEFORE CONSIGNMENT DEADLINE
